ATTENTION ALL MEMBERS

The Trust Year for the JLT (WACIRF) Discretionary Trust will end on the 31st August 2011.
You are advised that if you have a claim to be lodged, the Trustee will only accept claims for the 2010/2011 year for 120 days past the 31st August 2011.

After this date all claims will be the sole responsibility of the **excess** insurer. However, the Trustee will still manage the claim on your behalf of the Insurer, but any claims lodged after the 120 days will be subject to the terms of the Insurers, Policy Wording.

I therefore encourage you to lodge any claims you may have as soon as possible so that they will be processed before the end of the year. If you have any queries contact Murray Rzepecki on 9481 0259 during business hours who will try and assist you with your query.
